

Thank you for your interest in Courageous Companions. We thank all military personnel and first responders for their service. Many of the volunteers at Courageous Companions have experienced the trauma of operational injuries in service to our great nation and are therefore in a unique position to understand the challenges of stress injuries.

Courageous Companion service dogs are provided at no charge to our Veterans and First Responders. We rely entirely on individuals, businesses and service organizations like yours for funding.

Together we can really help veterans and first responders in need

Together with your financial support, we can provide more services to our injured Veterans and First Responders. Your support will be used to help rebuild the lives of those who have sacrificed for all of us.
